UNPARALLELED HURRICANE. HE TOWN OF HALLAZZOLO, SIGIL A SHAPELERS MASS OF BUILD FREAKS AND FORY OF THE WIN The London Times, of the 8th, has the following account of the hurrienne in Sicily, which destroyed the town of

"There has been no instance of such a calamity within the memory of living man, and no earthquake ever caused so much destruction. There are houses mined, houses fallen to the very ground, walls cleft from end to end, and wall hanging outwards as if to rest on the adjoining houses. There are roo wholly swept away, sunken vaults, ba torn from their places, windows shutters either entirely carried o hanging loose from walls, samp] ferced from their sockers, up trees, and this is all one meet north-east side of the town; ot a single house remains in while roof and windows do not require the repairs. The streets are a pass of rubbish and fragments.
"The incidents of the disaster are so

strange as to be almost incredible There was a store with twenty-five hectolitres of wheat, of which not a trace is anywhere to be seen. The books of the excise and land registry offices have vanished, and only their torn leaves have been found here and there at great distances. In one house all the copper kitchen utensils were blown through the roof; in another benches and heavy chests flew through the windows. The large land of to be seen curied up one vay; those of another twisted up another way. There is a pillar of the palace, which has been moved forward one foot without breaking, and stands up isolated all in one piece. There is the wall of an other palace which has fallen back more than three feet without a crack. Here is the beam of one house which has thrust itself into another house. There is half a bedstead, the other

half of which lies no one knows where, All the tiles of one building are huddled together in one spot on the roof, crushed and broken up as small as if they had been pounded. The rafters of another building are nell bee. In a stable on the bare ground and the bodies of men, one by one, are being dug out. Most of them are in their night dresses, having been crushed as they were quietly sleeping. Their features and forms are so disfigured that one cannot look at them without shuddering. Their nostrils, ears and mouths are stopped up with earth. The wh of this, You have robbed me, Good the necessaries of life. Everybody in sought by those who lay claim to decenof this, fou have roobed me, Good the hecessaries of the far-light! Get downand say your prayers." the community is in distress. The faror to make his stipulated payments on tenderest quality is unmitigated cruelty. ura trip of the Moro Castle. The following statement from Mr. Freaney is clerk in a government office.
